There's a high school in New Jer-sey, Dear old Bloom-field, bless her name;—  
Soon the time will come when leav-ing Brings sor-row to each heart;—

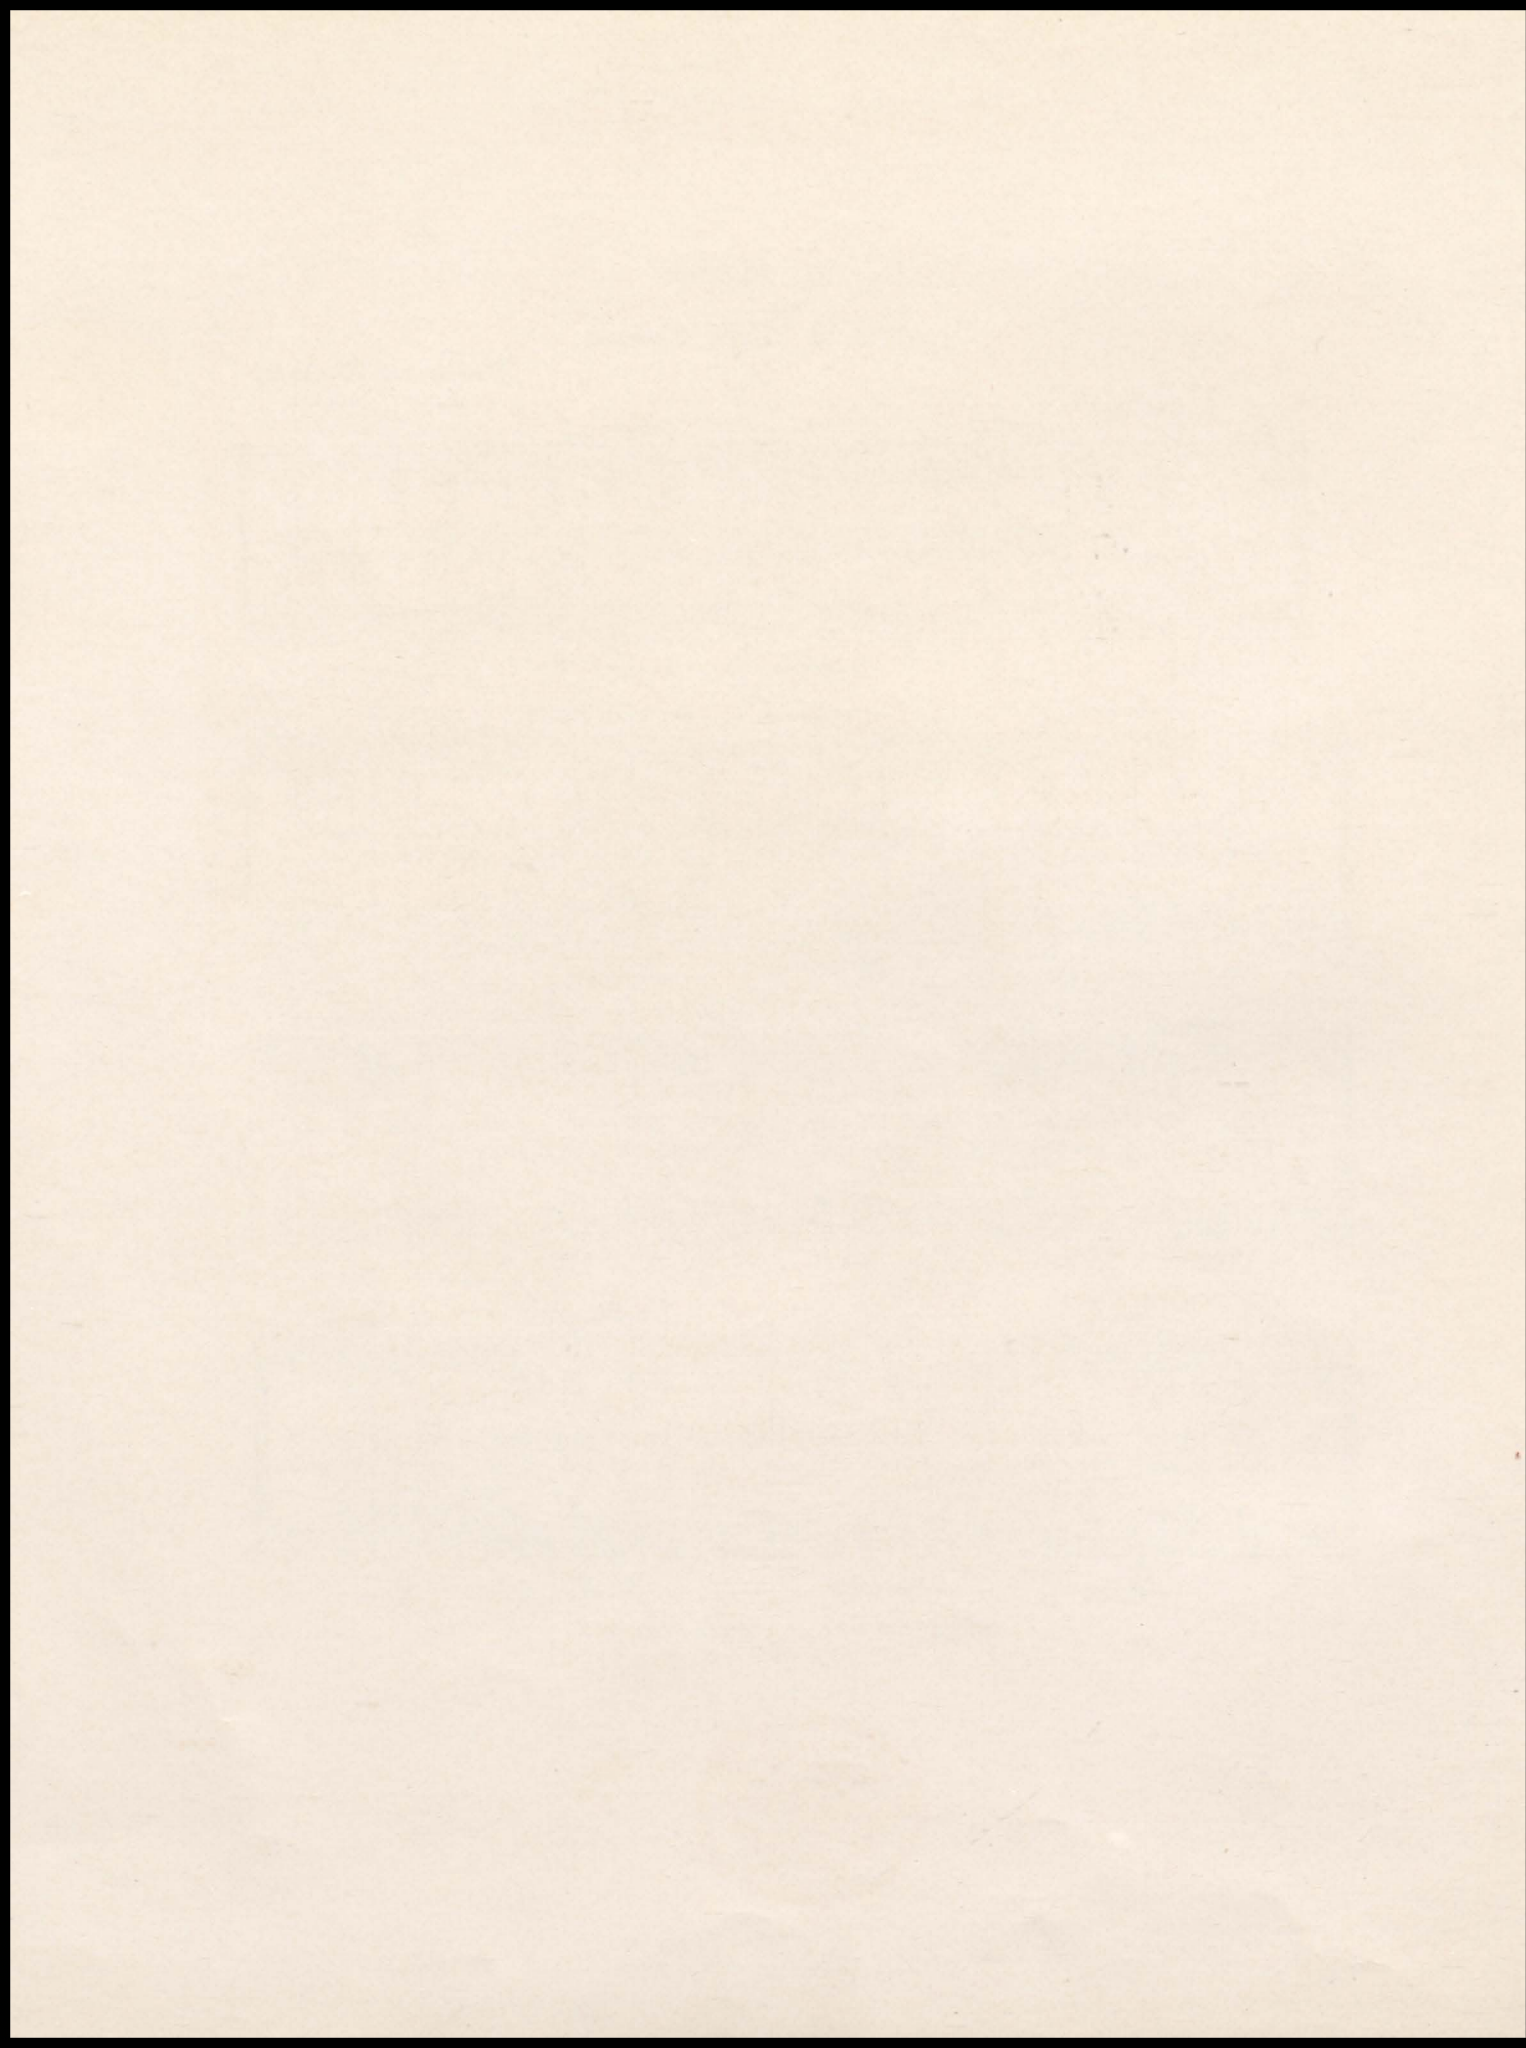

And we've loved her, yes, we've loved her, Since the day when first we came.—  
And we'll say good-bye to Bloom-field— Let us prom-ise, ere we part,—

So, all hail to Al-ma Ma-ter, And pledge e-ter-nal-ly,—  
Though the years be long, when-ev-er we may meet, we'll join in praise,—

To live and die for Bloom-field High in love and loy-al-ty.  
And thank our Al-ma Ma-ter for our good old high school days.

Public performances are given both at school and at community functions. One concert a year has become an annual event, and social life is provided by parties and picnics.

The orchestra aims to provide a wholesome outlet for emotions, to co-ordinate activity of hand and mind one with the other, and to build a spirit of co-operation and artistic standards of performance.

Perfect attendance is honored by medals.

### What's My Name?

Out-of-doors looks so inviting—  
The birds, the trees, and flowers—  
But here I sit inside, just writing,  
And wile away the hours.  
What's my name?—Student in detention.

As I watch these students' capers  
And pace the warping aisle,  
I try to peek at all their papers  
While they just sit and smile.  
What's my name?—Study hall teacher.

I'm the place where you wait your turn  
In order that you alone may learn  
What you did the preceding day  
And the penalty that you'll pay—today.  
What's my name?—The Office.

When you forget your lunch some day,  
We feed you and send you on your way,  
You eat, and eat, and eat some more—  
Then leave your papers on the floor!  
What's my name?—Cafeteria Staff.

You come to me in your distress  
To find some peace and quietness;  
I'll heal your cuts and soothe your burns  
So to your classes you'll make quick returns.  
What's my name?—Miss Hayward, our school nurse.

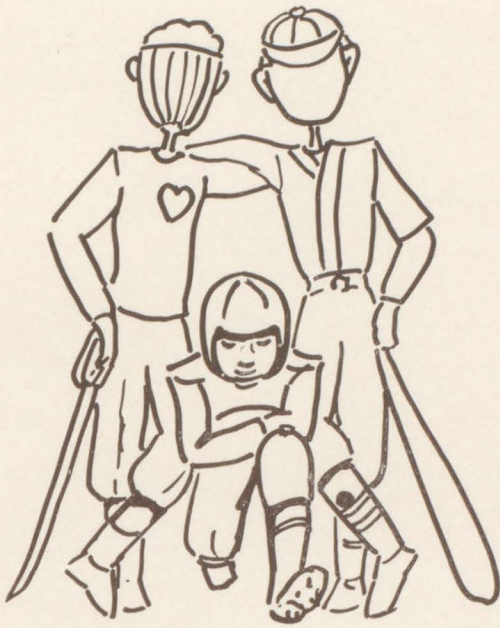

Where to go and what to do  
Are the things that trouble you.  
Then, for advice to calm all strife  
You come, for help on "The Road of Life".  
What's my name?—Guidance Department.

I'm tall and blonde and round-about:  
Some are inclined to call me stout.  
I'm head of all the other boys  
That sweep the floor and stop the noise.  
What's my name?—"Oscar".

On bended toe, I snoop about  
To see if I can find you out;  
I come tripping from behind  
To see what mischief I can find.  
What's my name?—Student Patrol Member.

You can't from me your secrets hide,  
For I am always by your side,  
Writing down what e'er I hear  
So I may spread it far and near.  
What's my name?—S. P. gossip writer.

## Basketball

SINCE '36, the exploits of the basketball squads have practically equalled those of the gridiron warriors. In that time the Bengals have won a state title and have never failed to gain a tournament birth.

Bloomfield first won state recognition as a court power during the '37 season. The team's colorful play attracted the eye of the tournament officials and won them a place in the play-offs. Although not rated a chance in pre-tourney talk, the squad smashed their way to the state title and the rating of the best "money-playing" team ever to compete on Jersey courts.

During the following campaign the Tiger five chalked up the most impressive record in the court history of the school. In the regular schedule the team met defeat but once at the hands of Morristown. This defeat was later avenged when they turned back the Colonial cagers by a twenty-point margin. However, in the first round of the tournament play the team faltered and bowed to Thomas Jefferson's quintet.

The '39 courtmen practically brought the state crown back to Bloomfield. After clearing their path to the finals, the team lost to Memorial. The game was a thriller and was not decided until a last-period surge by the West New York five proved too much for the weary Bengals.

Almost a replica of the '38 record was that of this year's quintet. After compiling an impressive record during the regular campaign, the Bengals were eliminated in the opening game of the state tourney in a "sudden death" game, which found West Orange the victor.

## Tennis

SINCE tennis was adopted as a minor sport a few years ago, the squads haven't been so successful as some of the Bengal teams in other fields of athletic endeavor. Lack of material has hurt the chances of Bloomfield teams in this sport.

In '37, however, the Tiger racquet-wielders reached their greatest height. This campaign proved to be most successful, as the team won nine, while losing but two matches.

This year the prospects are again bright, for the line-up will be studded with veterans. Headed by Captain Bill Snyder and Bob Smith, the team has hopes of equaling, if not surpassing, the record of the '37 squad.

## Swimming

ONE could classify swimming as Bloomfield's major minor sport, not only because it is the oldest one but also because the greatest number of students take part in this activity.

Throughout the past four years the Bengal natators have won the majority of their meets. The team reached its peak when it placed fourth in the state event in '38.

This year's combine, after a fair season, came through in the state meet to place tenth among all Jersey schools. A loss to Montclair, the arch rival, was the greatest mar on the aquatic squad's record.

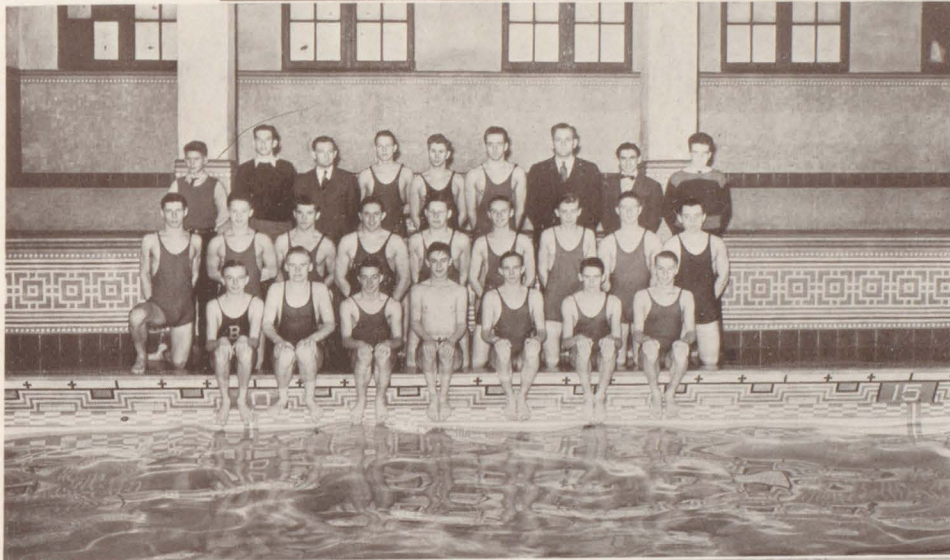

## Fencing

ALTHOUGH the Bengal foilsmen have not gained the state diadem as yet, they have done noteworthy things in their three years of organized competition.

After an unsuccessful season in '38, the same squad returned for the following campaign and did nobly. The trio won the majority of their dual meets and finished in a deadlock for second place in the state event.

A squad of newcomers carried the brunt of the fencing chores this past season. They were somewhat erratic, finishing their schedule with about an even break. In the state meet they carried the Red and Grey colors through to fifth place.

FIRST ROW: Byrne Sullivan; Harold Sadowski; Warren Lackey; William Young, Captain; John Byrne; Paul VanNetten; Wallace Carman.  
 SECOND ROW: Harry Masin, Assistant Manager; Robert Wertz; Thomas Maslin; Walter Markowitz; James Morse; Charles Wertz; William Marfuggi.  
 THIRD ROW: John Malone, Assistant Manager; Hugh McInnis, Assistant Manager; Robert Sylvernal; Jack Sterling; William Hambacher; James Church; Victor Bulkowski; Edward Zukowski; Richard Coppla; Robert Hester; Jerry Melillo; Richard Moglia, Manager; S. C. Wooley, Coach.  
 FOURTH ROW: George Bierman; George Harmon; R. Willever; A. Kucinski; Robert Jones; Raymond Lounsbury; J. Mahoney; George White; Jack Sohn; Robert Chandler.

## Track

**T**HREE years ago track was added to Bloomfield's athletic curriculum as the school's fourth major sport. It had existed as a minor sport during the previous season.

In this first year of competition on the cinders the Bengal combine showed promise. The squad had an even break, winning one, losing one and finishing second in two triangular meets.

The following season, in its bow against major opposition, the team found the going tough. Due to the better caliber of the opponents, the Red and Grey forces were able to garner but three victories in ten starts.

As this campaign is about to start, the team's chances seem the best in the history of the sport. With six lettermen returning from last year's squad and several others who saw action in '39 on the roster the Bengals should make a good account of themselves.

Captain Bill Young heads the list of veterans which includes Andy Kostecka, Wallace Carman, Bill Marfuggi, Hal Sadowski, and Walt Markowitz. Young has been on the team since its origin and specializes in the middle distance. Carman and Marfuggi strengthen the sprint department, while Kostecka, Sadowski, and Markowitz are three of the versatile members of the squad. Other candidates being counted upon are Ed Zukowski, sprinter and shot-putter from West Side; Tom Maslin, middle-distance man; Wertz brothers, pole vaulters; Warren Lackey and John Byrne, distance runners; Bob Jones, sprints; Roger Cooper, high jump; Jim Morse, Ed Mills and Byrne Sullivan, middle-distance men.

### Girls' Gym Teams

#### SENIOR GYM TEAM

IN 1914 Miss Edith Russell gave the girls of Bloomfield High School who were interested in apparatus work an opportunity to volunteer for a gym team. Of the fifty girls who came for tryouts twelve were selected, and after many months of practice these girls presented an exhibition. From the proceeds of this and other following exhibitions the girls' gymnasium has been furnished with about one thousand dollars' worth of apparatus. The Senior Gym Team now consists of forty-eight girls.

Captain ..... Gloria Solvik  
Coach ..... Miss Edith Russell

#### JUNIOR GYM TEAM

Miss Russell organized the Junior Gym Team fifteen years after she had successfully organized the Senior Gym Team. Any girl on the Junior Gym Team may, by proving herself equal to the requirements of the Senior Gym Team, earn a position on the Senior Gym Team. From a group of thirty-six girls the Junior Gym Team has grown to a group of ninety.

Captain ..... Eileen Walsh  
Co-Captain ..... Muriel Ulrich  
Coach ..... Miss Edith Russell

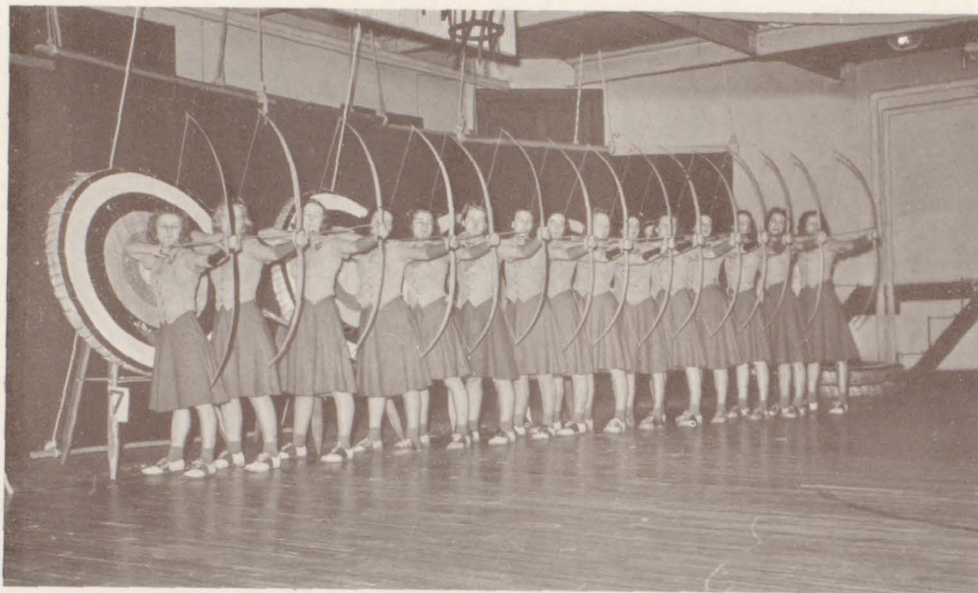

### Basketball

EACH fall for the past twenty-six years Bloomfield High School has found its girls in the midst of interclass basketball tournaments. The aim of each team is to win the silver basketballs which are awarded to the victors.

Although our class has not achieved its aim, our record is something to be proud of, our teams having won 22 games and lost 6 in the past four years.

Gloria Solvik captained our team for four years, while Agnes McBurney, Pauline Hattauer, Lillian Conner, Rose Katz, Elsie Katz, Betty Rydman, Alexine Dyson, and Laura Marshak were the active members on our senior varsity.

Left to right—Doris McCormick, Jean Samuels, Dorothy Roddy, Gertrude Downs, Jane Pfeifer, Gloria Solvik, Barbara Stebbins, Doris McGuire, Jean Rowe, Edna Fisher, Muriel Ulrich, Barbara Comstock, Virginia Greenwood, June Cook, and Lillian Connor.

## Archery

**B**LOOMFIELD HIGH SCHOOL inaugurated the sport of archery in January, 1937. Since that time a team has been chosen each year to represent the school in archery tournaments throughout the state.

The ten girls on the 1939 team really made B. H. S. known in the realms of archery. These girls placed first in every tournament they entered and were given the honor of opening the archery range at the New York World's Fair. Some outstanding honors which the team won were: the Indoor State Championship, Panzer College Plaque, Outdoor State Championship, the Woodbridge Trophy, and the World's Fair Trophy. This team was captained by Gloria Solvik and managed by Margaretta Ward. Gloria Solvik, one of our class members, won honors on this team; other members of our class on the team were Elsie Katz and Rose Katz.

The team of 1940 is the largest yet to be chosen. It consists of fifteen members, captained by Dorothy Roddy and managed by Gertrude Downs. An outstanding privilege which was bestowed on this team was that it was the only high school team in the United States chosen to compete in a tournament with a Japanese team of ten girls from Tokyo High School. This team won the tournament with a margin of 522 points over Japan in the American method of scoring and a nineteen-point margin, using the Japanese system. Gloria Solvik, Lillian Conner, June Cook, and Edna Fisher represented our class on this team, the only team that ever won an international tournament.

Besides this group, representative of the school, interclass teams participate in a tournament held in June. The team winning this tournament receive archery emblems, which they cherish with great pride. Our class won this tournament in our sophomore year. Members of this team were: Gloria Solvik, Elsie Katz, Rose Katz, Shirley Stahl, Jean Ayre, and Roxanna Marks.

## Tid-Bits

**W**HEN the June '40 class receives their diplomas, over a score of the school's leading athletes will be ending their scholastic careers.

Hardest hit will be the basketball squad, of whom nine players who saw much varsity action will receive their sheepskins. Andy Kostecka, probably the greatest basketball player ever to don the Red and Grey colors, heads the list. Andy first saw varsity action in his sophomore year, when he got into a few games as a substitute. The following season he won a regular berth, and it was then that he reached his top form. Andy found the hoop for a fifteen-point average during the season. When it came time for all-state selections, Kostecka was an unanimous choice, gaining berths on almost every combine that was published. One of the most brilliant performances of his career was turned in the '40 Newark Central game in which he racked up twenty-seven points in a little over three periods of play.

Other graduating courtmen are "Dutch" Schleif and Hugh McCullough, defensive stars; Bill Greenip, captain and veteran of two years of varsity action; Bud Straight, "Red" Ayre, Sid Spitz, "Babe" Wheelan and Bob Gleason, who composed the reserve material.

The baseball squad loses several players through graduation. Captain "Red" McGrath completes his high school playing days this season. Last year was his first season as a regular, and his dazzling play won him much acclaim. "Red" is noted for his lightning speed, which makes him a demon on the base paths. Although not a heavy hitter, McGrath is a team player and has come through with several hits when they really counted. A trio of twirlers are among the graduates, including Bob Welsher, Jack Biglin, and "Dutch" Schleif. Welsher was the first of the three to win his spurs as a varsity pitcher. He first saw action as a freshman and was hailed as a young Hubbell; he showed top form at times while proving ineffective on other occasions. Since this first year he has seen much action and has been a great help to the nine. Biglin and Schleif, on the other hand, failed to gain recognition until their junior years when they both broke into the starting line-up more than once. Again the loss of Bill Greenip will be felt, as he has played in both the infield and the outfield. Bill as a sophomore was the team's batting sensation, but for some unknown reason went into a slump the following season. Ayre, Wheelan, and Gleason, who have studded the infield positions, will be missed on the diamond as well as on the basketball court.

Football fans will undoubtedly feel the absence of Ed McGowan, Tommy Adams, Bill Greenip, Jim Landrum, and Wilbur Shipley from the lineup. Greenip, the versatile, was an important cog in the gridiron warriors' success. Bill's defensive work was outstanding, especially during his senior year. McGowan broke into the varsity competition as a passing marvel during his junior year. After his inaugural, however, Ed became noted for his running ability rather than for his pitching prowess. Tommy Adams proved in many a game to be the man who was needed for those few yards which meant a score. Jim Landrum, one of Bloomfield's few colored athletes, gained his varsity spurs in his senior year. Through his outstanding defensive play "Lampy" gained a berth on the state all-colored team. Wilbur Shipley broke into the line-up as a substitute for the injured DeLuca toward the end of the '39 season.

A sextet of natators will receive their diplomas in the June graduation. Bob Giardino, captain and four-year veteran, leads the aggregation. Bob saw varsity action as a freshman and has been appointed constant point-getter throughout his four years of competition. Bob Iseman, who also won recognition while still a lower classman, has been one of the team's sprint-men. Dick Axt and Bill Bennett were leading contenders in the sprint events, and amassed a goodly number of the team's points this past season. Bob Beach followed in his brother's footsteps and became one of the school's aquatic stars, specializing in the breast stroke and diving events. Newell Smith strove to fill the vacancy left by Bob Donovan, and although he didn't gain the stardom which Donovan had achieved, he proved an important factor in the team's success.
